Maintenance of Certification (MOC) Part II CME Activity

This course meets the requirements for up to 12 MOC credits. To claim MOC credits, you must pass the Post-Test with a score of 75% or higher.

Approval Statement

Through the American Board of Medical Specialties (“ABMS”) and Association of American Medical Colleges’ (“AAMC”) joint initiative (ABMS MOC Directory) to create a wide array of Maintenance of Certification (“MOC”) Activities, the **3rd Annual Spring Cactus Cancer Conference** has met the MOC requirements as a MOC Part II CME Activity (apply toward general CME requirement) by the following ABMS Member Boards:

American Board of Radiology (ABR)

This educational activity meets the criteria for self-assessment toward the purpose of fulfilling requirements in the ABR Maintenance of Certification Program.

Note: If a Member Board has not deemed this activity for MOC approval as an accredited CME activity, this activity may count toward an ABMS Member Board’s general CME requirement (only). Please refer directly to your Member Board’s MOC Part II Lifelong Learning and Self-Assessment Program Requirements.

American Board of Internal Medicine (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12.00 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participant completion data will be shared with and transmitted to the ACCME on the participant's behalf.

American Board of Surgery (ABS)

This activity has also been designated as Self-Assessment CME credit, applicable to Part 2 of the ABS MOC program. For additional information on the ABS MOC program and its requirements, visit the ABS website at: <http://home.absurgery.org/default.jsp?exam-moc>.
